POLICY FOR CONCESSIONS TO DIFFERENTLY ABLED CANDIDATES

Vision

- Through prioritizing an inclusive approach by guaranteeing the differently abled candidates a friendly and empathetic campus atmosphere, the college aims to set an example in delivering fair and equal treatment to all.

Objectives

- To create a learning environment where the differently abled are not subjected to any discrimination or exploitation.
- To provide a differently abled friendly infrastructure and classroom atmosphere.
- To make sure that their aptitudes and talents are genuinely acknowledged and given proper recognition.
- To create awareness among students and staff about the empathetic treatment that should be practised.

Policies

- Washrooms are disabled friendly.
- Human assistance, scribes and separate exam halls are arranged to students with disabilities, during the university exams and internal exams.
