Terms & Conditions for Campus Placements

01

Placement registration is **only for 2027 exiting students**. Students planning to continue and exit in 2028 need not apply for the campus placement registration.

02

Students who have poor academic performance (less than 6 CGPA) and more than 5 backlogs till date (already published results) are advised not to register for placements. However, those students are permitted to attend the companies which do not have mark limits.

03

Students are advised to wear uniform with ID cards and should have pleasing manners when they appear for the interview with the representatives of the recruiting company.

04

Students should take every effort to maintain the decorum and the image of the institution with the visiting representatives of the organization.

05

If a candidate who has forwarded his/her resume to a particular company and decides not to appear for the test/interview, he/she should inform the placement cell, the reason for not attending. This will not only enable the placement cell to give an accurate estimate of the number of candidates appearing for the interview to the company, but also help other students who would otherwise miss a good chance.

06

If the student has been selected by more than 3 companies in the campus interview and has received an appointment letter, then he/she cannot apply again, even if he/she rejects the previous job offer.

07

Once a student receives an appointment letter it is assumed that the student will join the organization. If the selected students do not join the organization, then they should inform the placement cell immediately. The queries must be clarified through the placement cell only.

08

Students violating any of the above-mentioned rules and regulations or found indulging in any act of indiscipline/misbehaviour thereby earning a bad name for the Institution will be debarred from availing any further placement facilities and strict disciplinary action will be taken against them, as per Christ Nagar College rules and regulations.

09

The Principal of Christ Nagar College reserves the right to disallow any student from appearing for the campus interview, on disciplinary grounds.
